

**T H E O N E S T U D I O S**

The logo consists of the words 'THE ONE STUDIOS' rendered in a highly stylized, geometric font. Each letter is constructed from multiple parallel lines of varying lengths and orientations, creating a complex, maze-like appearance. The color is a vibrant orange. Below the logo, the words 'THE ONE STUDIOS' are written in a clean, sans-serif, all-caps font, with wide letter spacing, in the same orange color.

# FAQs

## **Q: What factors affect the cost of a video production project?**

A: The cost depends on various factors such as the complexity of the concept, script, location permits, talent (models/actors), and the extent of post-production work required.

## **Q: How long does it take to complete a video production project?**

A: The timeline varies based on the scope and complexity of the project. We will provide a detailed timeline during the planning phase.

## **Q: What equipment do you use for filming?**

A: We use professional-grade cameras, lighting, and sound equipment to ensure high-quality footage.

## **Q: How do I submit my project requirements?**

A: You can contact us via email or schedule a Zoom call through our website to discuss your project in detail.

## **Q: What software do you use for editing?**

A: We exclusively use Adobe Premiere Pro, After Effects, Davinci, Adobe Illustrator and more to ensure the highest quality of video editing work.

## **Q: Can I review the video before final delivery?**

A: Yes, we will provide you with a link to Frame.io, our video proofing tool, to review and approve the video.

# Testimonials

“

TheIStudios produced an outstanding promotional video for our product launch. Their attention to detail and creativity were exceptional.

*Iker, Vanguard Nomad  
Business Owner*

---

”

“

We were impressed by the professionalism and quality of the videos created by TheIStudios. They made our corporate event look fantastic!

*Mark T.  
Event Organizer Fanduel*
